PART 1

ABOUT THIS FINANCIAL SERVICES GUIDE

Profile Financial Services (Profile) is committed to full transparency in terms of our services and obligations to you, the client.

This Guide is the first of three important documents you will be given if you decide to take up our services. Each document serves a specific purpose in the financial planning process.

1. The first document, this **Financial Services Guide (FSG)**, should help you decide whether to use any of the financial services we provide. This Financial Service Guide contains information about:
 - the specialist advisory services we offer you;
 - how we are paid for performing these services for you;
 - any other benefits we may receive;
 - any potential conflict of interest we may have; and
 - what you should do if you are not entirely satisfied with our services.

2. Any personal advice you receive will be set out clearly in a **Statement of Advice (SoA)** or **Record of Advice (RoA)**, which takes into account your needs, objectives and financial situation. It will contain:
 - your personal advice and the basis on which it is given;
 - detailed information about fees and commissions; and
 - details of any associations with financial product providers or other parties.

3. If we recommend to you a particular financial product (other than securities), we will provide you with a **Product Disclosure Statement (PDS)**. The PDS provides information about the product - such as how it operates, its features, benefits and costs - to help you make an informed decision in relation to the acquisition of that product.

Before you make any decision relating to a financial strategy or products, you should read the Statement of Advice and Product Disclosure Statements so that you make an informed decision.

Key information is set out in answers to the questions below.

If you need more information or clarification, please ask us.

Upon payment of the Strategy and Plan Fee the 'Financial Plan' (the SoA) is the property of the client to do with as they wish. Clients are not obliged to proceed any further with Profile Financial Services Pty Ltd.

This Fee can be deducted from your investment portfolio or you can choose to be invoiced directly.

2. Implementation Fee

Once the 'Financial Plan' has been formally agreed and approved by the client and you wish to proceed with the Profile Financial Services Partnering System, we charge an Implementation Fee based on the following scale of funds to be invested (including GST).

Our answers

Yes. You have the right to know about details of commissions and other benefits your adviser receives for recommending investments and any material benefits or interests that may influence the advice. We will provide this information to you when we make specific recommendations.

Yes, but to do so we need to find out your individual investment objectives, financial situation and needs before we recommend any investment to you.

You have the right not to divulge this information to us, if you do not wish to do so. In that case, we are required to warn you about the possible consequences of us not having your full personal information. You should read the warnings carefully.

We will explain to you any significant risks of investments and strategies, which we recommend to you. If we do not do so, you should ask us to explain those risks to you.

PART 5

CONFLICT OF INTEREST

Your questions

Our answers

Disclosure of Potential Conflict of Interest

Macquarie Wrap Solutions (MWS) has established an administration rebate for their supporting advisers. Profile Financial Services (PFS) is a user of MWS and became eligible for the administration rebate from October 2002. We intend to use this rebate to assist us in the processing of transactions and for the preparation of Statements of Advice for the relevant clients.

The criteria for eligibility is total accumulated balances across all PFS/MWS clients with an average account balance greater than \$15,000 per client. If any of these criteria are not met in the future or if our agreement is terminated with MWS, we would no longer be entitled to the rebate.

The rebate of the MWS administration fee is 0.165% pa for accumulated balances up to \$75m and 0.2475% pa for accumulated balances from \$75m to \$150m. If we recommend a MWS facility to you and you invest in it, we will receive the additional rebate. However it will not impinge in any way on your investment. Where relevant the rebate will also be disclosed in the Statement of Advice.

Profile Financial Services receives up to 0.110% p.a. (including GST) for investments in the van Eyk Blueprint Series. This payment was not demanded by Profile nor a condition of using the van Eyk Blueprint Series given that Profile had already commenced investing prior to any financial arrangement being offered. We intend to use this rebate to assist us in the processing of transactions and for the preparation of Statements of Advice for the relevant clients.

If we recommend the van Eyk Blueprint Series to you and you invest in it, we will receive the additional rebate. However it will not impinge in any way on your investment. Where relevant the rebate will also be disclosed in the Statement of Advice.

PART 6

IF YOU HAVE ANY COMPLAINTS

Your questions

Who can I complain to if I have a complaint about the advisory service?

Our answers

If you have any complaint about the service provided to you, you should take the following steps:

1. Contact your adviser and tell your adviser about your complaint.
2. If your complaint is not satisfactorily resolved within 3 days, please contact Profile's Compliance Manager on (02) 9683 6422 or put your complaint in writing and send it to us at PO 2500, North Parramatta, NSW, 1750 or email to compliance@profileservices.com.au. We will try and resolve your complaint quickly and fairly.
3. If you still do not get a satisfactory outcome you have the right to complain to the Financial Ombudsman Service (FOS) GPO Box 3, Melbourne, Victoria, 3001. Telephone 1300 78 08 08. This service is provided to you free of charge.

Stage 1 of the FOS process is where FOS facilitates discussions and negotiations between the parties. All relevant documents are exchanged and the issues in dispute are identified.

Stage 2 is conciliation and the parties come face to face with a conciliator from the FOS national panel. The role of the conciliator is to assist the parties to explore options for settlement of the dispute and to help parties to agree on their own outcome.

Stage 3 is where the independent adjudicator is requested to make a decision "on the papers" taking into account the relevant law, fairness and reasonableness. If you accept the adjudicator's decision it is binding on the member.
